Client Services

In over 50 years, we have grown into a healthy and successful global boutique firm, providing high-quality corporate and fiduciary services to high net worth individuals and (single) family offices, multinational corporations, financial institutions and fund managers. This puts us in a privileged position in order to decide which type of client we want to work with. Though legislation varies in different countries, but Corpag's ethical code is strict and equal worldwide. We are very happy to help companies and private individuals that are, just like us entrepreneurial, transparent and earn their money in a sustainable and responsible manner. We are here to optimize their business and be part of their success.

It does not matter whether you are a private, corporate client, private equity fund or a company listed on the stock market. It does not matter if your company is small or big. We work with you as long as our business practices and core values are aligned.

As a client of Corpag you can expect the highest level of service from some of the best-educated people in the business, all brought to you with a distinctive personal touch. We help you set up, administer, manage and grow your business by letting you do what you do best: focus on your core business. Corpag will be there to support you every step of the way, with all the corporate services and administrative support you need. We deliver high-quality services to clients with a view to building long-term relationships. We are present all around the world. For this reason our presence and exposure keeps us always up to date with all the relevant knowledge and compliance in your home market as well as with any other country your business may need.

Private Client

We assist our clients administering their trusts, corporate structures, real estate, alternative assets and finance transactions for estate, wealth, inheritance and succession planning and asset protection, as well as for yacht, private aviation and philanthropy purposes. Our global team combines our global network with local knowledge to deliver a tailor-made solution.

We have been working with eight of the top ten global private banks and some of the largest single-family offices around the world for many years, who all recognize us as the go-to boutique fiduciary services provider for their private wealth clients. Our principles

Commitment:

we expect everyone to take full responsibility for his or her choices

Own it:

we believe you can become anything you want, as long as you believe in it and work for it

Respect:

we want to partner up with people who believe in the same ethical codes

Play:

we want to stimulate inquisitiveness, eagerness to try and always learn

Activate:

we believe in the importance of (pro)actively seeking and seizing opportunities

Give:

we believe in opening doors and adding value wherever we go
